Go Sightseeing in Shanghai

Bund, locates in Huangpu District, Huangpu River, is one of the most significant symbol of the city. Someone says that the story of the Bund is Shanghai's story, it means the essence of the Bund is the 52 different style buildings called" International Architecture Exhibition. Though the Bund is not designed by the same designer and not be built in the same period, their tone is basically unified, overall contour's processing is also amazingly coordinated.

Disney

Shanghai Disneyland is China's first Disney theme park in mainland, in which locates in Shanghai Pudong New Area, Chuansha New Town. It will include six theme areas when it opens at June 16, 2016. They are Mickey Avenue, the Fantastic Garden, Adventure Island, Treasure Bay, Tomorrow's World and the Dream World. There are many world premiere rides in Shanghai Disneyland which enriches exciting live performances and a variety of wonderful experiences. No matter women or man, old or young, both can be happy in the harvest.
